Roosevelt and Lori

Foothill's Outstanding Seniors

Roosevelt Lewis is the outstanding senior boy for the Class of '75.' As a freshman, Roosevelt lead the class of '75 as President. He played in the orchestra and was a member of the Afro-American Association for two years.

Roosevelt has also been active in the choral and drama departments at Foothill. He sang in Men of Troy, Mixed Chorus and Madrigals. Roosevelt was in the A.S.B. musical "Oklahoma" and sang a leading role in the Opera "Amahl."

Sports has been a big thing in Roosevelt's high school life. He played Junior Varsity and Varsity Basketball and also ran track, where he was a part of a record-breaking 440 relay team. He earned his block F as a Freshman. Roosevelt played on a championship Junior Varsity Basketball team and three championship Varsity Football teams. Voted Prep of the Week during his senior year, he was also chosen a member of the All-City and All-League football teams.

"Rosie" plans to major in mathematics at the University of Utah where he has received a scholarship for football.

Lori Clayton has lead the class of '75' into it's final year at Foothill. Holding the office of President has meant a lot of important decisions for Lori. Through her activities and work she has proven herself the outstanding senior girl for the class of '75.

During her junior year she served as secretary for her class, publicity chairman for the Pep Club and assistant editor of the AEOLIAN. You wouldn't think she had time to be a two year member of CSF, a Trojan Deb for two years and a EPIC staff member for three years.

Lori reached the peak of her activities during her senior year. Not only was she President of the class of '75 but Editor-in-Chief of the EPIC, a Brocks Campus Debber, President of Trojan Debs, and a member of the Executive Council, CSF and the Inter-Club Council. She received the Optimist award for service to her school and the community during Youth Appreciation Week.

Lori plans to major in journalism. Plans for a particular college have not yet been set, but Lori is thinking of Fresno State University.

The Path Never Changes Only Our Direction and Destination

I'm proud to say the Sophomore class deserves a lot of credit for their achievements throughout the past year.

We had many volunteers helping to make each of our class events a success.

With our next two years at Foothill, we should really have a great time helping each other make the class of '77 the best there will ever be.

Girl's Varsity Volleyball

"Service!"

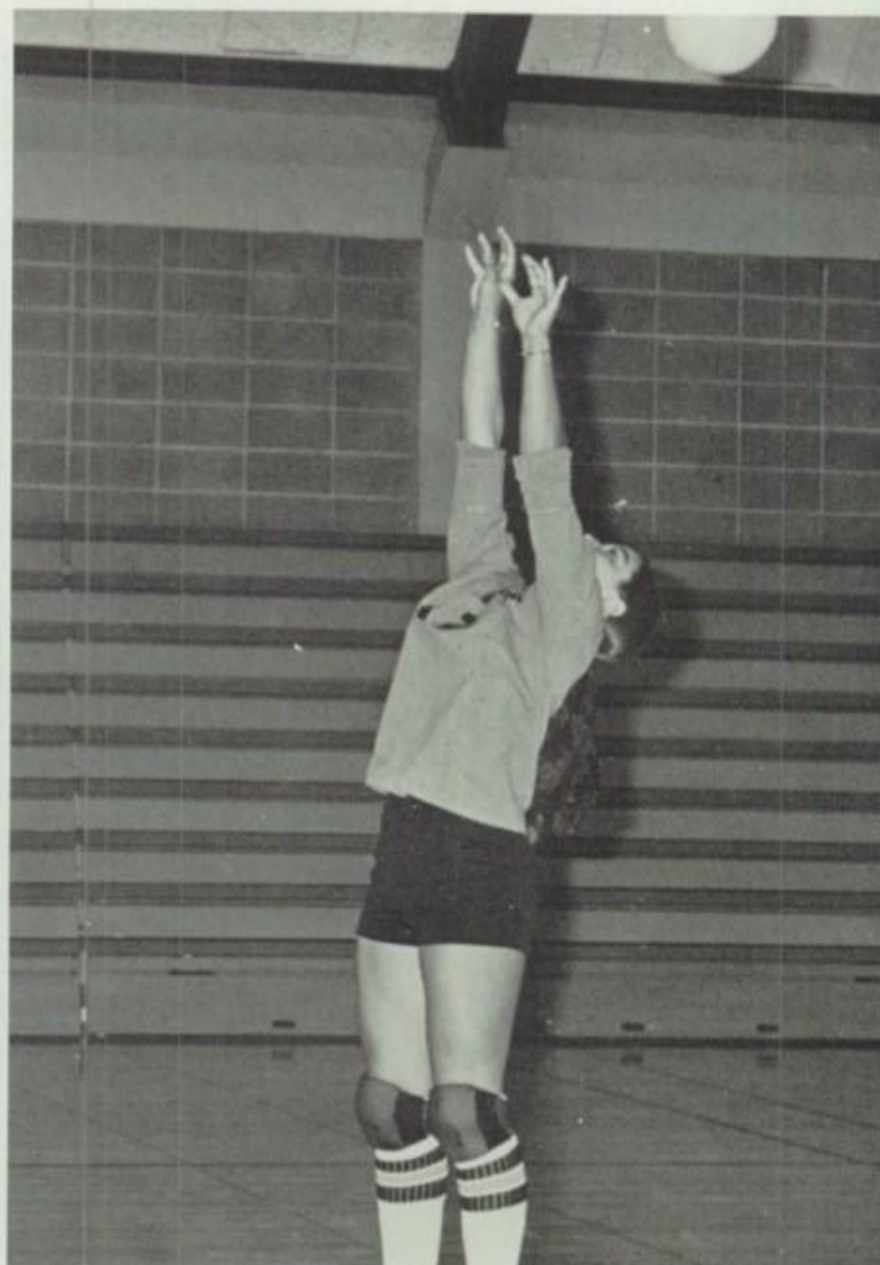

This year the volleyball team got off to a slow start, ending the varsity season with a 3-6 record.

Being only the second year for girl's volleyball, we are still in a building program with the hope that more will come out next year.

This year 21 girls went through the season. Competition, both on the team and against other schools, was very keen, making each victory a highly-prized reward for playing.

Cross Country Getting Stronger Every Day

Not having one of the best seasons at the Varsity Cross Country level did not prevent some great individual performances. Harlan Shanklin, Tony Zaragoza, Andy Shanklin, and Harry Jiminez all established Cross Country records of some sort. With the most noticeable being the school record of 15:20 for 3 miles set by Harlan Shanklin. Team-wise the dual meet record was 3 wins and 5 losses, with a 2nd place at Wasco Invitational and a 3rd place at the S.Y.L. being the highlights. Harlan Shanklin was voted Most Outstanding and team captain, Joe Armendarez was Most Improved. The Most Inspirational was Macario Fernandez, and Tony Zaragoza was Squad Captain.

The Junior Varsity was also very successful this year, finishing with a 6 and 2 dual record and a 2nd place S.Y.L. finish. Jerry Lopez, Tony Ruiz, Curtis Hammond, and Bryan Reyes were all in the S.Y.L. top ten. The Most Improved runner was Macario Fernandez who finished the season on the Varsity, and Joel Mena was the Squad Captain.

Frosh-Soph was the most impressive squad. They had a dual meet record of 7 wins and 1 loss. They won the Wasco Invitational, placed 2nd at Reedley and were S.Y.L. Champs. The Freshmen team went through the duals unopposed and were 7-0. This runs their unbeaten string to 23-0 over the past 3 years. Chris Carbajal was the top Freshman and ran on the Frosh-Soph squad. Mike Alva, Bobby Thomas, Eddie Medellin, and Harry McDaniel all placed in the League' top ten. Bobby Thomas was also the Freshman Captain.

The Trojanettes were much improved this year. The season started with a narrow loss to Highland and a tie with South. The girls displayed good competitive attitudes and compiled a 1-5-1 dual meet record while finishing 4th in the S.Y.L. meet. Robbie McCullouch and Sandra Gil placed in the top ten of the S.Y.L., and Robbie set records in almost every race she ran.

Trojans Post 18-5 Record - Best Ever!

The 1974-75 Trojan Basketball Team established themselves as the best in the history of school with a record of 18 wins and 5 losses. Led by top rebounder and top scorer Steve Smith, the Trojans won their first 8 games of the season, placed third in the Kern County Basketball Tournament, and posted a fine 12-1 record before league. Among those teams the Trojans beat in the first half of the season were Tulare (defending Valley Champions) and Garces, both of whom won their leagues and went on to the Valley playoffs. The starters during this time were Steve Smith (6'6"), David Reese (6'5"), James Childs (6'0"), Doug Wilson (6'2"), Gary Harris (6'0"), Emile Hurd (6'4"), and David Hall (5'9"), Greg Grimes (6'0"), and Lonnie Jackson (6'0"), saw much action.

The goal for the season was winning the South Yosemite League, but the Trojans were to fall one basket short when they lost to East High 49-48 in the East gym. The night before, the Trojans had battled back from 19 points behind in the third quarter to edge the Bakersfield Drillers 48-45 in overtime. Few Trojan followers will ever forget those two emotion-packed nights.

Many team and individual records were broken during the season; in fact the Trojan record book had to be re-written. The stat the record books doesn't show is how a young group of men (all the team returns except two seniors) kept fighting and almost pulled out an S.Y.L. crown. If a season was ever a "team effort" then certainly the Foot-hill Trojan Basketball Team of 1974-75 was.

The Lancers, coached by Darrell Bernard, ended their season on February 21 by defeating South 39-33 and closing their league mark at .500, losing six and winning six. The Lancers, who showed great potential early in the season with 8-1 pre-season record, lost their first four league games and dropped out of contention for the title.

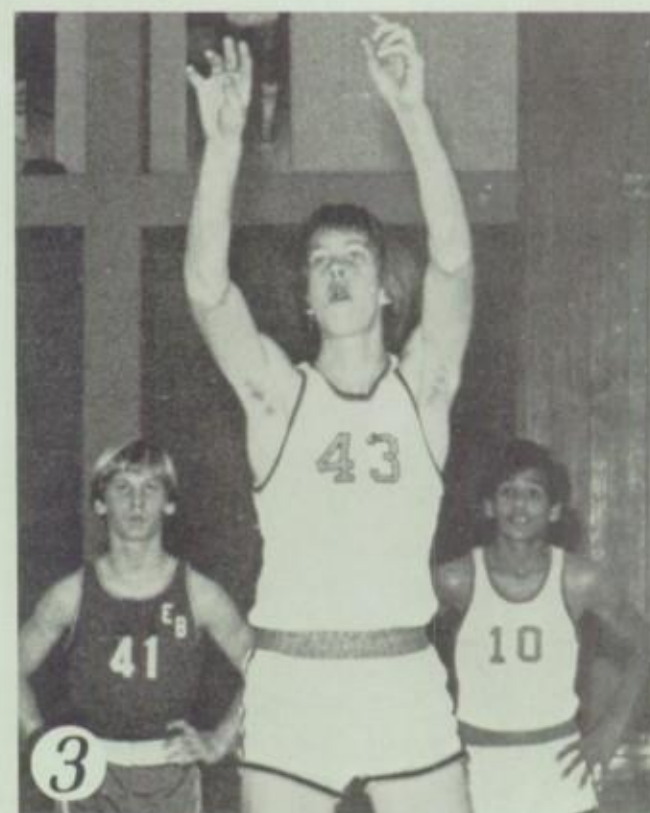

Outstanding players who contributed to the team's respectable fourth place finish were David Andino, Sidney Dials, Tim Warren, Rico Moore and Joe Johnson.

Trojans Close Season With BHS Win - First Ever!

Foothill wrestlers finished another winning and successful season. Some of the important things this team accomplished were the defeat of South twice in one season, and the defeat of B.H.S. for the first time in school history.

Foothill also made a strong showing at the Yosemite Divisional, placing 7th out of 26 high schools.

The team only had two seniors, Ronnie Scott and Dan Clark. Next year's team should really improve this year's record. Trojans are looking forward to next year's season.

J.V. Wrestling Titans Finish Another Successful Season

Foothill's J.V. team had another good year. The outstanding wrestler for the J.V. team was Rudy Martinez with many wins and very few losses.

The J.V. team as a whole did one fine job this year. They will lose some wrestlers to Varsity, but most will be back next year.

"Lancers Have Good Season With Young Squad"

Although no official record is kept for the league standings, the Freshmen wrestlers, led by Coach Dave Edmondson, ended their season with a bright outlook for the future. The outstanding wrestlers are Randy Peaker and Ricky Leith. We can look forward to seeing more of these wrestlers.

The key word to describe this year's team is "character." Without a doubt, this is the best group of men that I could hope to coach. Their talents were not of championship caliber, but their attitude and character certainly were.

The team was crippled before the season started with the loss of two all-league performers as a result of disciplinary problems. With this loss of talent and leadership they could have let down and just gone through the motions, but they never did quit on me. They always gave me their best effort and this is a coach's best reward. This is "character."

1. Larry Rocha tosses ball for easy out.
2. Mark Duffel fires to second to pick-off North High base stealer.

Titans Grow Close Despite Inexperience

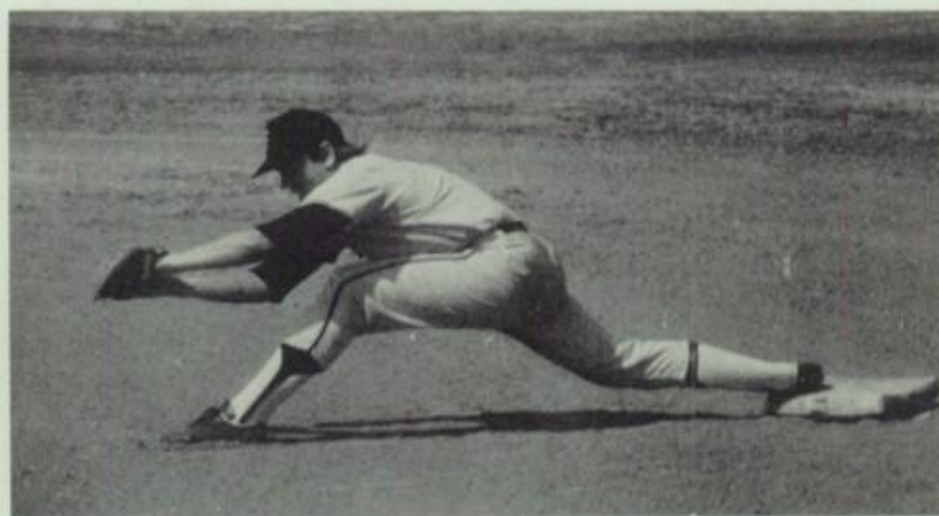

Tim Sarazua smothers hot grounder.

This was the most inexperienced J.V. team I have ever coached at Foothill. We had good catching but only one experienced pitcher. Steve Houghton and Kent Williams both caught and Kevin Atchley was the team's only real pitcher. The Titans had no returning starters from last year's team, and we were forced to play three or four starters who did not start for the freshmen last year.

We had one girl on the team, Robbie Rice, who saw a lot of action throughout the season. We had a young team this year, and with the experience they got this year they should be pretty tough next year.

FRONT ROW: Steven Stump, Javier Gonzalez, Ricky Leith, Doug Kiernan, Art Valdez, Royce McKinley, Teresa Leith, Mike Harper, Dennis Welch, David Nichols.

Prospects were good for a fine season. Competition was keen for every position and often the lineup changed from game to game. There was no single dominating player, and the outstanding player varied from game to game.

Due to the large turn out, the team started slow but gained experience and momentum as the season progressed. Several of these young men can be counted upon to give the varsity a good nucleus of players for years to come.

The 1975 track and field season got off to a rather slow start, but the Trojans have now gathered momentum and look like a real contender for the S.Y.L. Championship title.

Sixty-five Foothill athletes participate in track. Considering that our Frosh/Soph team was S.Y.L. champion last year, there is reason to be optimistic about a varsity championship this year.

In initial action - the pentathlon, where everyone on the team competes in five events - Walter Pratt looked very good all around and carried off the point championship. He was followed by Roosevelt Lewis, who in turn was followed by David Hill.

The 1975 Frosh-Soph track team demonstrated themselves to be a really together and well-coached team. With its 34 members it succeeded in proving to be worthy of the name "Foothill Lancers." The outstanding athletic ability displayed this season suggests a great varsity team next year.

Boys' Tennis Tennis Anyone?

This year the boys tennis team is looking forward to perhaps its best season in three years. The top singles players of the squad are seniors who have been with the team for three to four years. With the addition of a few juniors and sophomores who are playing excellent tennis, the team has a good chance to place third in a league dominated by some strong tennis schools.

Trojanettes Swing into Action

Boys and Girls Swimming *Swimmers Have Splashing Season*

This year's boys and girls swim teams had a very challenging season. Many of the team members were young and were still working on stroke techniques.

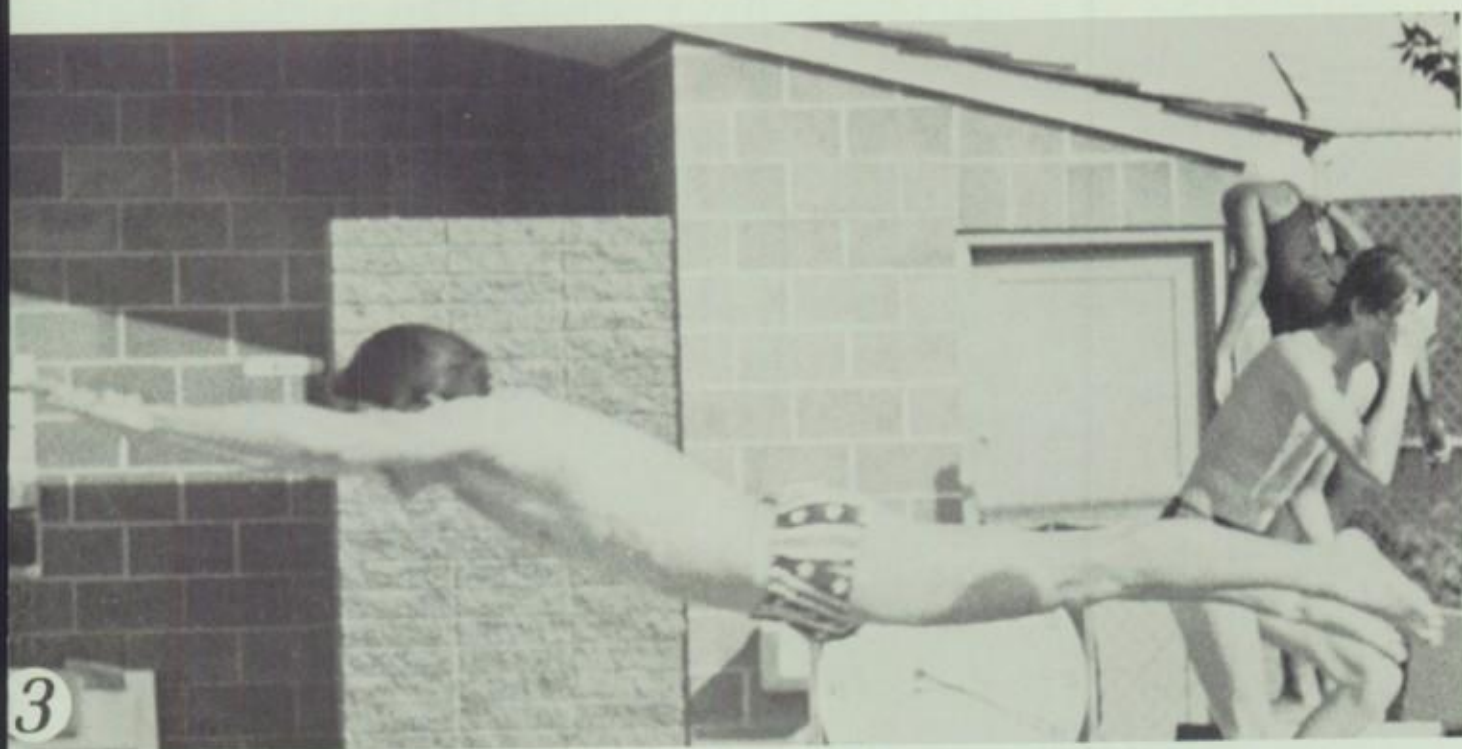

Some bright spots on the boys team included senior Lawrance Schneider, team captain, most valuable swimmer and outstanding backstroker. Our Junior Varsity consists of Drew White in distance, Ron Johnson in breaststroke, and Mike VanMeter in general utility.

The girls' team was stronger than those in the past. Though lacking maturity, the team had fine underclassmen in the likes of Lisa Banks, Jill Whitehead, Peggy Melton, Paula Stevenson, and Jackie Holliday.

- 1) Coach Hart talks up race strategy with Drew White.
- 2) Lisa Banks, Eddie Farris, Donna Palmgren, Danise Palmgren and Paula Stevenson take a quick rest at practice.

This year's Junior Varsity and Frosh-Soph cheerleaders did a super job leading their teams on to many victories.

They were very enthusiastic and dedicated. Without them and their undying spirit, this year would not have been quite as exciting.

Each and every girl was very proud to be a representative of Foothill and Foothill was proud of them too.

1974-75 Helen of Troy ~ 76"

This year's Helen of Troy was Valerie Buckingham. She was a very hard-working and capable leader.

Not many people are aware of all the responsibilities and duties of this young lady, but she did an excellent job and prompted more spirit than Foothill has seen in a long time.

Trojan Rallies

Spirit Of '75' Rises

"Seniors, Seniors, Seniors!" Sound familiar? It should, it became the dominating sound at the rallies this year. Yell competition was a main factor in the rallies.

The season was highlighted by a send-off rally for the Antelope Valley game, and a nostalgic touch was added by our 50's day for the East High game and dance. The West High Idgits, (opposite page-upper left), and our traditional "Beat B.H.S. Graveyard" and "Driller Hanging" created Trojan spirit and sent our Trojans to an S.Y.L. Championship.

No Christmas is right without Margaret Flores dressed as a Christmas tree.

The Trojan Choo-Choo Train (Executive Council) steamrolls happiness and wins first prize for best float.

The first annual Trojan Christmas Parade was a success with the entrance of Santa Claus, alias Coach Permenter. Santa then led a Christmas parade highlighted by entries from Key Club, Drill Team, Band, Executive Council, Yearbook, and Pep Squad.

Prize for Best Float was awarded to Executive Council, whose winning float was a train made up of all the members. Robbie Rice and Michelle Maurice, who dressed as little girls and pulled a wagon, were awarded Best Dressed.

Foothill Takes First

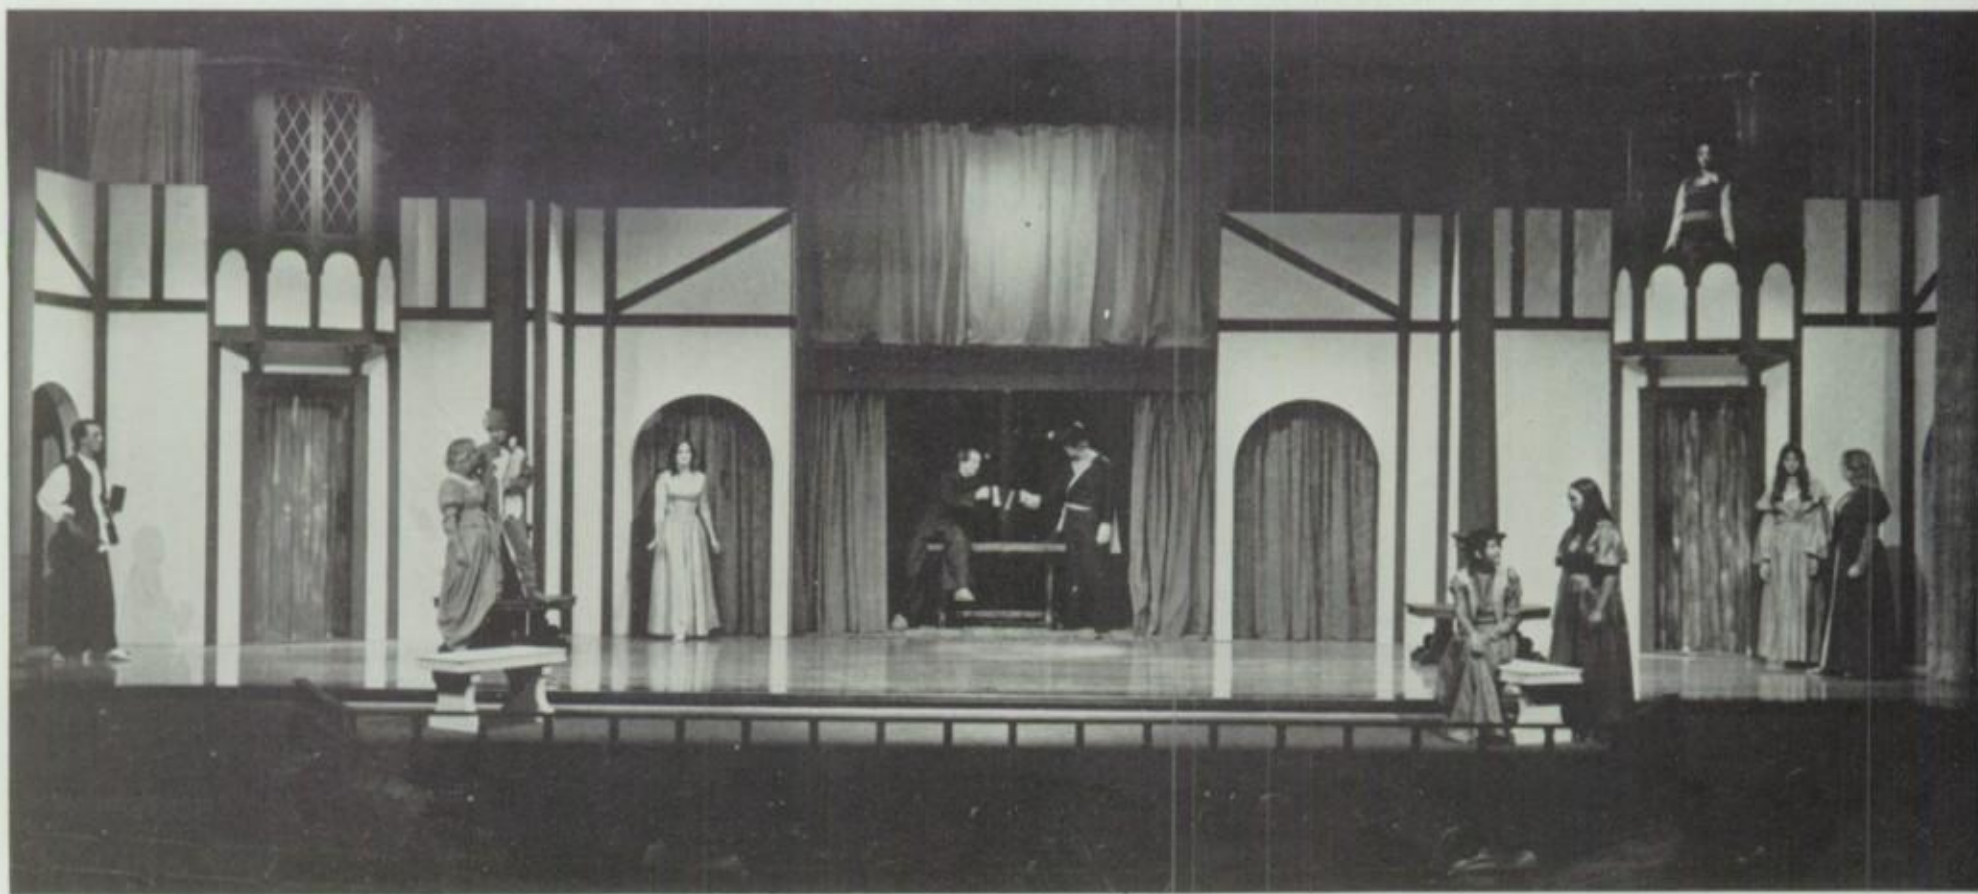

Ten Kern County High Schools were invited by Dr. Peggy Lautenschlager, director and founder of Foothill's Shakespearean Festival, to compete by acting a scene from any play written by William Shakespeare. This year Foothill took first place with its version of "Twelfth Night."

Foothill's 3rd Annual Renaissance Pleasure Faire was bigger than ever with regulars like Spear and Shield's speared and "beglazed" apples, La Raza's complete Mexican dinners, sparing the tequilla of course, and the Epic's "instant bliss" Marriage Booth. The Art Club unfurled their batik banners and set to dipping candles.

Interesting new additions included Lord Scott's Regal Make-Your-Own Sandwich Booth and an exciting Pep Squad slave auction, where fetching cheerleaders were indentured for a day to the high bidders.

The Faire closed at dusk to the pleasant melodies of Foothill's Merry Madrigals.

Dances Turn Out "Great" For '74-'75

Let's Boogie!

Nice and easy.

Sock hop hostesses instigate excitement.

Rock Out!

The great turn out for many dances this year has to be credited to the victories of our "Mighty Trojans." The spirit and the enthusiasm left over from our many victories was very often carried right out to the dance floor.

One especially interesting dance was the annual Sock Hop. Held after the East High defeat, it was sponsored by our spirited Pep Squad. Another dance that raised the roof was the Homecoming Dance.

Sponsored by the Inter-Club Council, it was held after our homecoming victory over West High.

This year some new bands played here at Foothill for the very first time. Bitter Sweet, Dynasty, and Loose Gravel were some of our new additions. Family Affair, Lord Luther, and The Inner Eye, along with Foothills original Roy and the Royals, were among the oldies but goodies.

We've seen tears and we've seen laughter,

Each one of our hearts bears a spot of fear,
Not solely because our times have ended
here,

But because we've grown wiser in body
and mind,

And must go out into the world to
find

Each of our goals and maybe help
change the times,

And so Foothill High,

We'll cherish the memories,

As each graduating class does,

Hoping deep inside you might
remember us.

Drawing rough drafts, thinking up headlines and captions, typing, selling ads, and putting on a great yearbook signing party were just a few of the duties taken on by this courageous clan. It was a lot of hard work, but it was fun too (sometimes), and now that it is over we'd go back and do it all over again.

They Sponsored the Best Christmas Formal Ever

Spear and Shield is both a service club and a spirit club. Their first responsibility of the year was to make sure the football stadium was decorated with streamers and posters for our winning Trojans. They also encouraged students to buy pom-poms so we can cheer all the Trojan teams to victory.

The major event of the year for the club is the Christmas Formal. They plan and work from the beginning of school until the night of the formal, preparing to make the formal fun for all.

As with all service clubs, Spear and Shield devotes many hours to raising money. All remaining treasury money provides college scholarships for deserving Spear and Shield members.

Working for the Students

The Representative Council is made up of representative students from all four classes. They represent their classes in submitting ideas to the student body that will best benefit the students. This year's Representative Council worked hard and represented the class well. They presented many helpful ideas to benefit this year's students.

Key Club is a service club that has an international membership of 80,000. The Foothill Key Club put together and sold the football programs and provided life-size photographs of the varsity basketball team for the gym. They held an April Fool's donkey basketball game and sent delegates to the district convention and the international convention in Houston, Texas.

The Key Club donated the time and money to sponsor a car smash during football season and "Santa Claus" Permenter's Christmas sleigh. They also gave a \$250 Scholarship to a deserving Key Club member.

The Motto for Key Club international is "Caring - Our Way Of Life."

THE EPIC, Foothill's school newspaper, is published every other Friday, and 1974-75 was a good year for the Epic.

Not only did the staff get better, but we got a new advisor. Mr. MacGuire worked very closely with our staff, and before we realized it our paper had taken on a new and better form. Our coverage was fantastic compared to previous years.

THE EPIC was a lot of hard work, especially since our deadlines were so close, but everyone came through.

THE EPIC entered in several competitions this year, ranging from the San Joaquin Valley, to national contests. The staff also took its annual trip to the journalism workshop at Fresno State University.

The club officers were: Dale Eyraud, president, first semester; Erin Rowles, president, second semester; Gale Eyraud, vice president; Laurie Shelton, secretary; Donna Dodd, treasurer; Alice Scott, historian, and a publicity committee of Alice Scott, Donna Dodd, Taunya Syfratt, Dena Robinson, Kim Goehing and Manda Blake.

They assist the teachers by watching the children and helping them to learn, play, and snack.

Choral Groups

Melody Of Love

An active choral program at Foothill has made singing a popular activity. Most students begin singing in the Men Of Troy or Girl's Chorus. They may then be selected for the Mixed Chorus. The Madrigal Singers are chosen by competitive audition each year and represent the school many times by singing for community organizations.

Highlights of the year were the Fall Concert, "Sing Together;" The Christmas Concert; "Amahl and the - Night Visitors," Foothill's first Opera production; the Spring Musical, The Mixed Chorus Festival, and the Spring Choral Concert.

This year the Foothill Band performed at all our home football games, in parades, at the Potato Bowl, in competition, at rallies and at the basketball games.

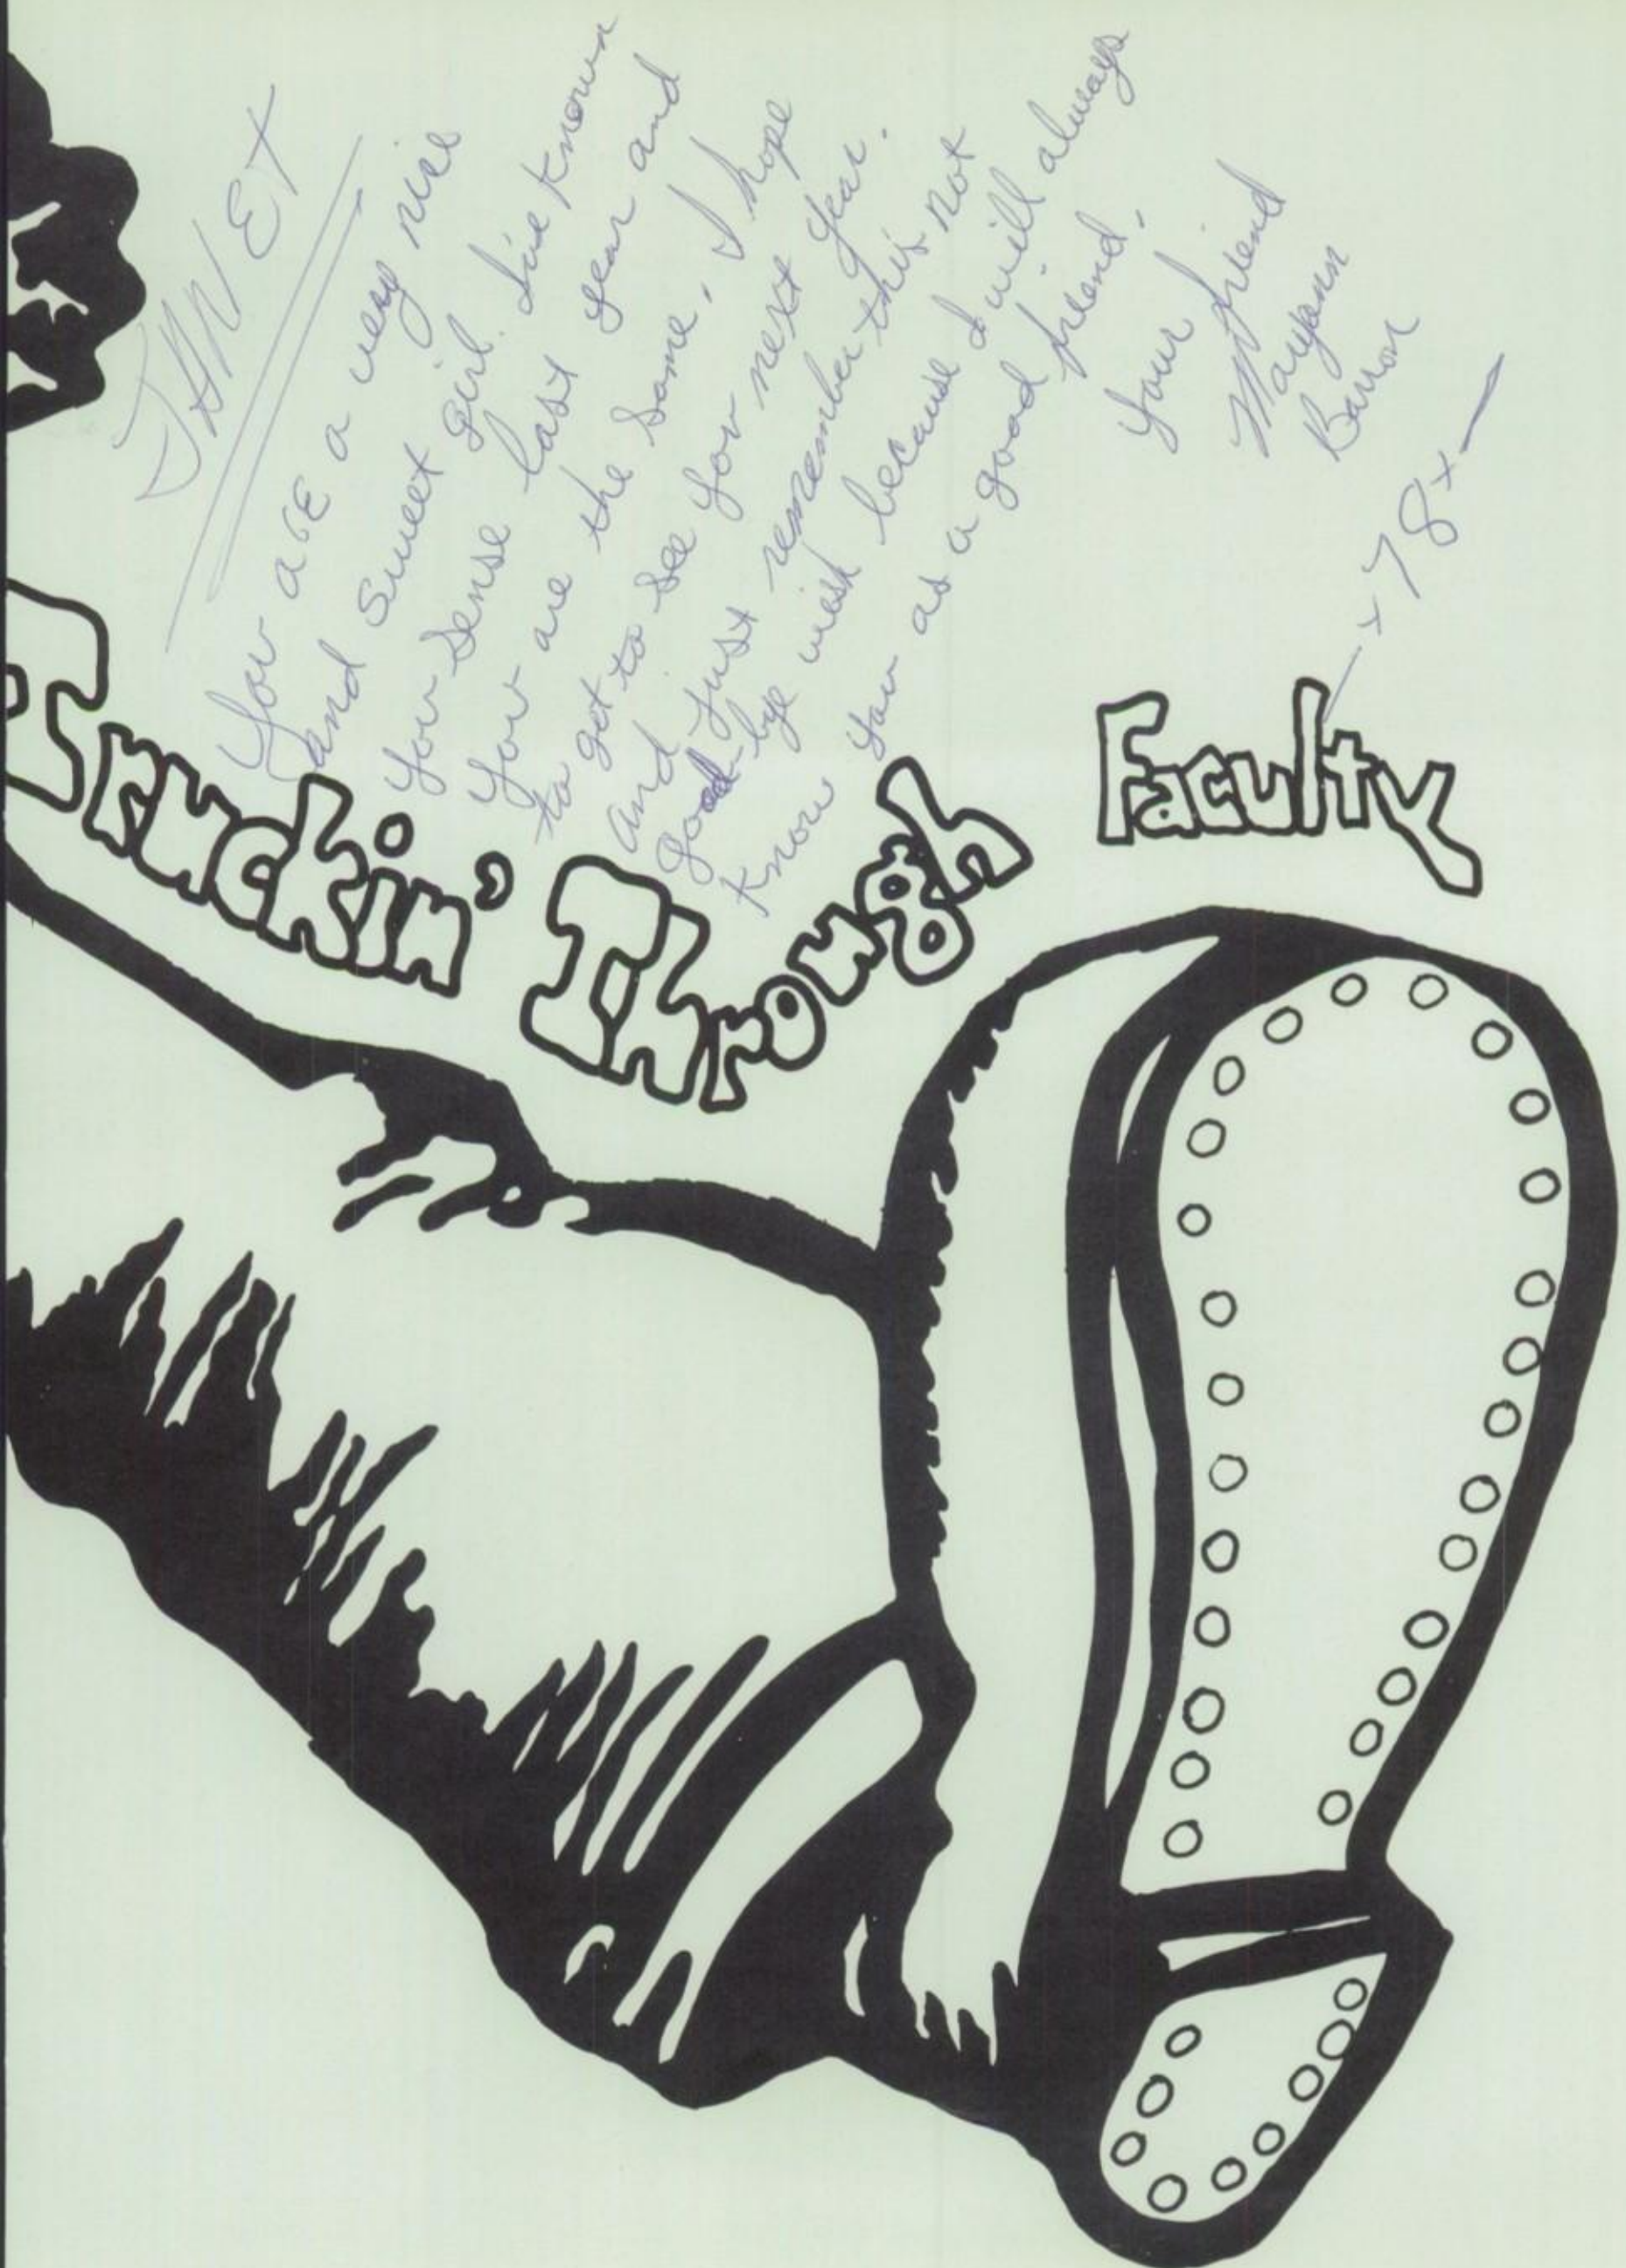

Their performances were excellent and imaginative. They worked hard all year round.

It wasn't all work and no play. Early in the year each member of the band had the chance to go to Magic Mountain, free of charge. All they had to do was participate in a parade around the streets of Magic Mountain.

Also, the band took a pleasure trip to Disneyland, but they had to sell schcolate candy in order to pay expenses.

Mr. Norris Miller was the director, and this year's drum major was Charles Miller.

The Mathematics Department introduced a new semester course, Arithmetic II, to help students meet the mathematics requirement for graduation. Students who complete the objectives for Arithmetic II before the end of the semester were permitted to enroll in another course, become student tutors, or use the period for study hall. The Geometry classes had exciting new text books which offered a more comprehensive and varied approach to the subject.

Librarians

Books - Books - Books

This year, as every year, our library grows. With the help of our librarians, our library is a place of enjoyable student research. The Foothill Library includes the resource center, visual aides, career information as well as works of reference. The library is also a meeting center for students interested in activities. Photo, arts, and crafts are often exhibited here. Hobbies and collections are displayed. This year a mini - grant made possible a collection of local culture.

Editor's Page

This is the page where the editor or editors thank everyone who has helped them. In this case it is editors, for there were two of us this year; Lois Johnson and me, Stephen Cortez.

Before I thank everyone responsible for making this book, I would like to say something about putting a yearbook together. I know how some people will not like some things in the book and will complain. We (the staff) put a great deal of effort into this book and we tried our best to improve our book. However, things don't always work out the way they should. And complaints don't always make a book better or improve it.

The improvement comes from work. If you're still going to be at Foothill next year, try to get into the Yearbook class or Production Photography. That way you can make the book the way you would like to see it.

Photography plays a big part in the making of a yearbook. Without the pictures, a yearbook would be nothing but copy. So at this point Lois and I would like to thank the Production Photography class for their efforts and their class advisor, Mr. Burnett.

As for our yearbook class, I would like to give them a very special thanks for all the hard work they have done in making the book attractive. We also thank Mr. MacGuire, our yearbook advisor, for his help.

I did not attempt to single any one person out, so as not to offend all those who worked so hard all year. There are many members of both Photography and Yearbook that deserve special recognition for their services. I can only say that you of the Production, Photography, and Yearbook staff know of whom I speak.

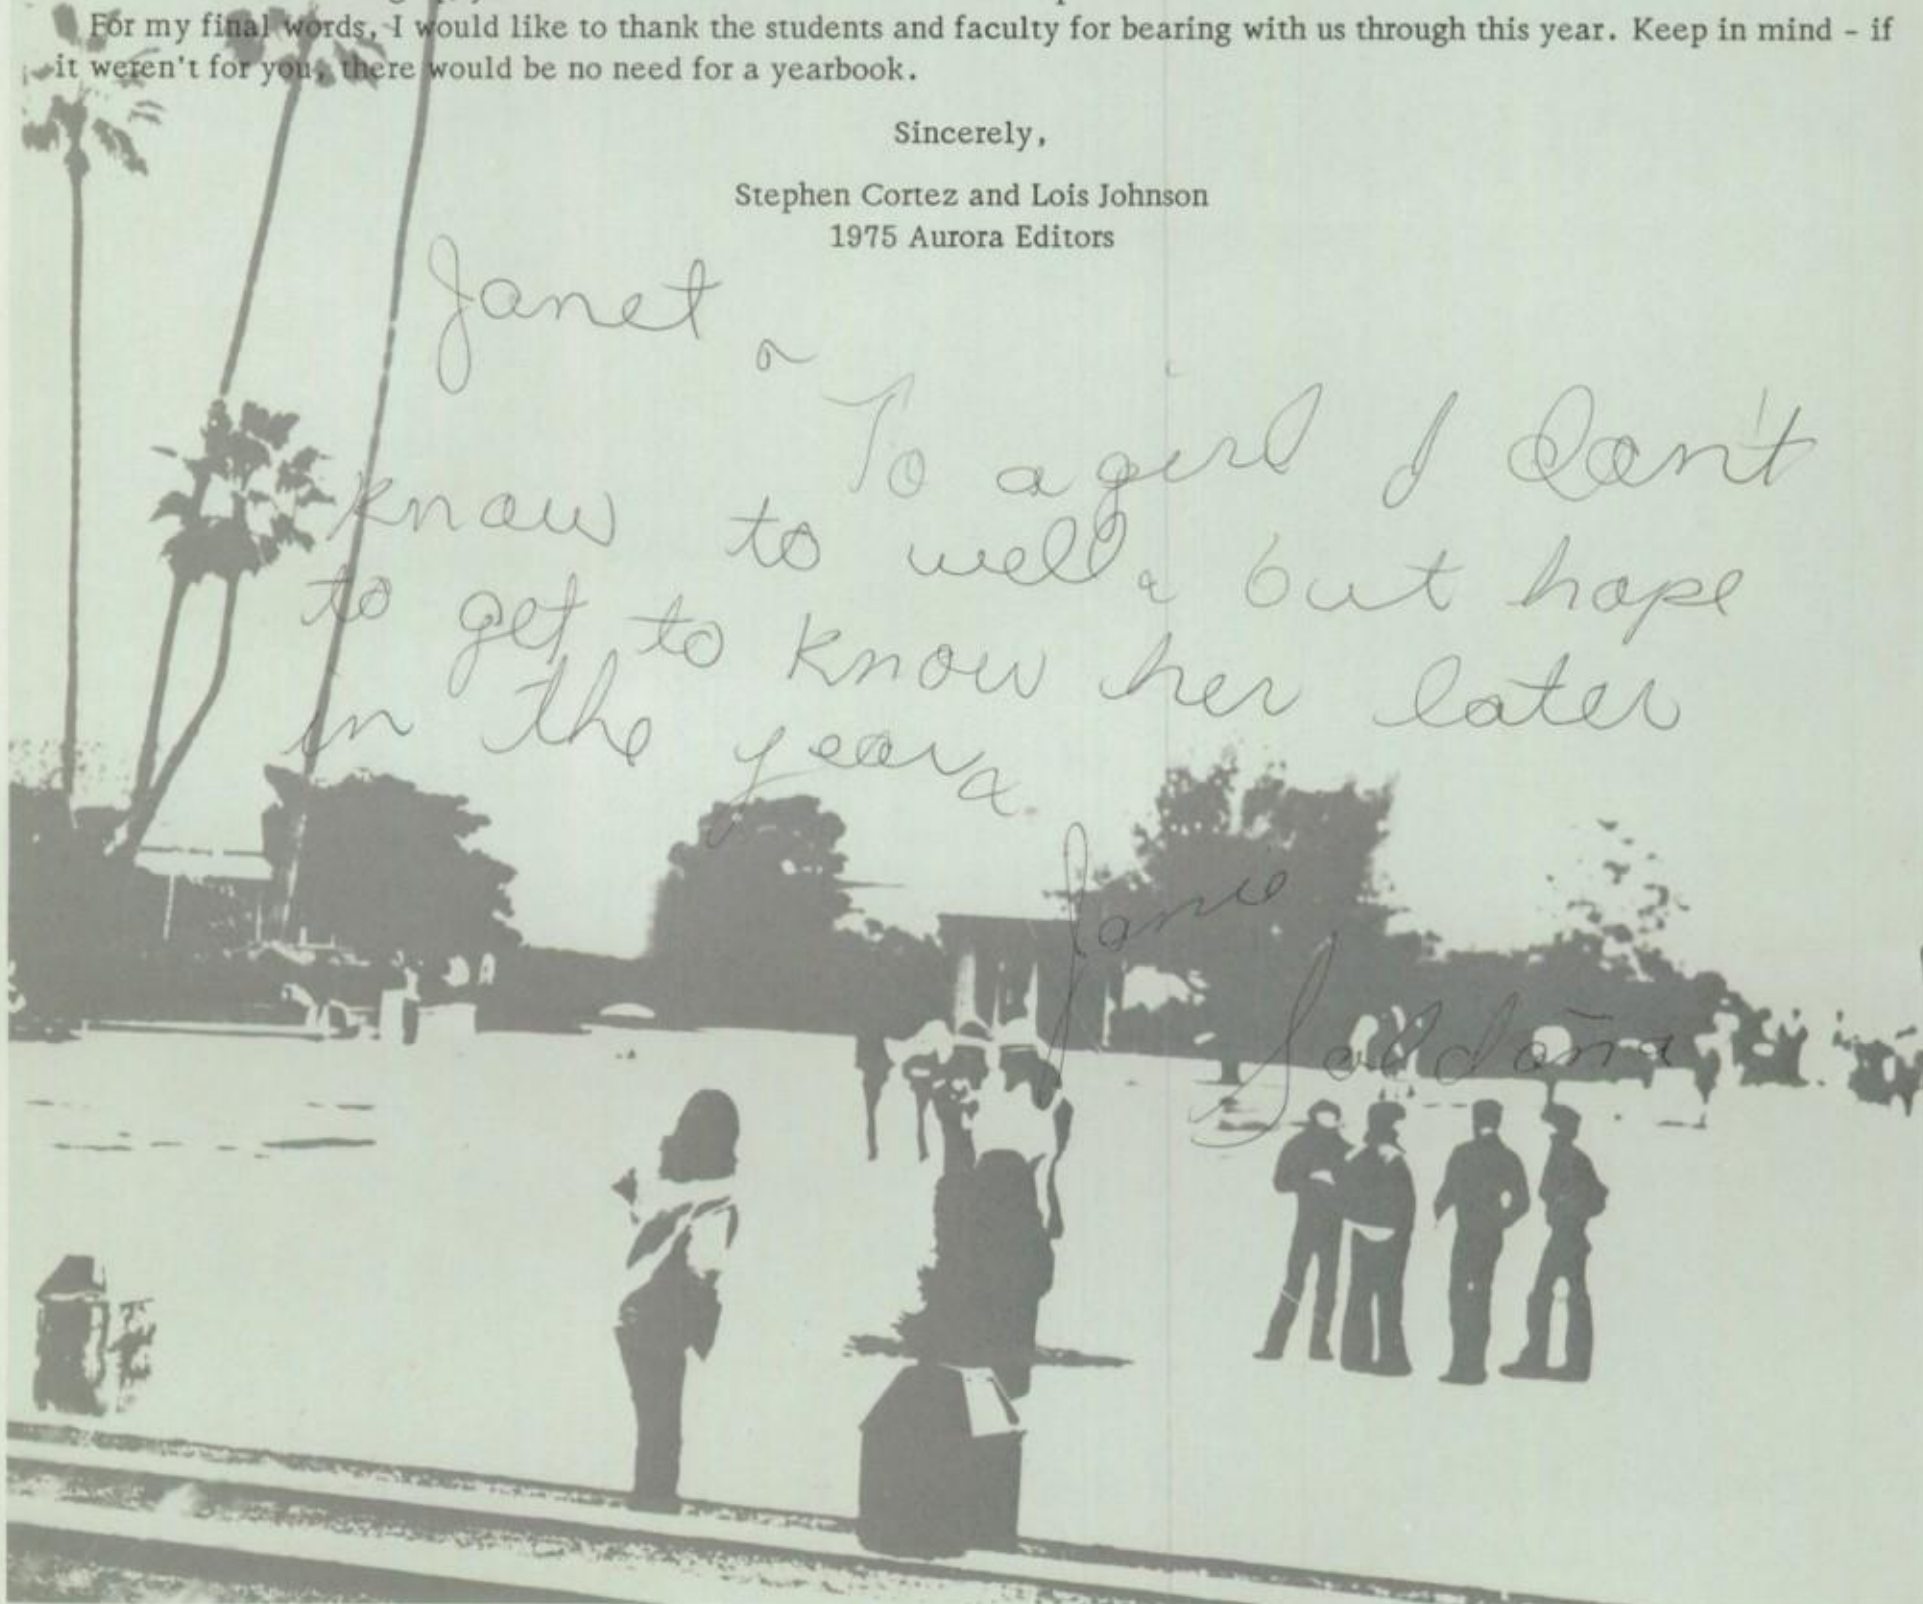

For my final words, I would like to thank the students and faculty for bearing with us through this year. Keep in mind - if it weren't for you, there would be no need for a yearbook.

Sincerely,

Stephen Cortez and Lois Johnson
